14th Annual Chamber Dinner & Business Expo

2017 Speaker

Mary Cripe, P.E.

Middlebury Town Manager

Mary received a Bachelor of Science in Civil Engineering from Valparaiso University in 1993 and her Professional Engineering license in 1998.

Mary's commitment to public service began in 2001 when she was hired to be a civil engineer for the City of Goshen. Mary comes to Middlebury with the knowledge of how to improve and build upon the existing strong foundation of the community to continue advancement of Middlebury's quality of life would advance.

Mary's knowledge has developed into a passion for building collaborative teams with the common goal of making Middlebury a place people choose to live, work and visit. Experience has taught her this must be done in a systematic way.

Mary believes people first need to feel safe and secure, then be given an opportunity to earn a living in an environment where they are engaged with equality and, be invited to create and improve the public spaces around them. Her proven application of this strategy is the number one reason she is in Middlebury.

Mary is excited to be Middlebury's Town Manager and to help our town move toward the common vision of becoming a town with the highest quality of life and lowest cost of living in the Midwest. She believes great things can be accomplished with the Middlebury team.

*If you haven't already had an opportunity to chat with the new chamber director, come to the 14th Annual Dinner on **March 14**. Sheri joins the chamber with over 20 years of experience in public service. She served as City of Goshen, Parks and Recreation Department Superintendent for the past 15 years. As park superintendent Sheri managed one of the largest and most comprehensive park systems in the area. Sheri is excited about the many opportunities to serve the Middlebury community as the new Chamber Director.*
